It's time to review your Humana USAA Honor Giveback (PPO) updates for 2025

Inside you'll find the Annual Notice of Changes, which shows a side-by-side comparison of your plan benefits for 2024 and 2025. Keep in mind, this document highlights plan changes, but doesn't include a full list of all plan benefits.

Every year, we adjust our plans to ensure we're delivering quality benefits at an affordable price, even as healthcare policies evolve. We've updated our plans this year to prioritize the essential healthcare coverage Medicare members say they need most.

Of course, your Medicare Advantage plan continues to cover many preventive services and tests and offers dental, vision and hearing coverage.

Here's how to make sure you're ready for 2025:

Please review the plan changes carefully. If you'd like to keep your current Humana USAA Honor Giveback (PPO) plan, you don't need to do anything. It will automatically renew on January 1, 2025 and you can keep your current Humana member ID card.

If you have questions, you can find more information online at **[www.Humana.com/PlanChanges](https://www.humana.com/PlanChanges)**. Beginning October 15, you can see a full list of your plan's benefits online in your 2025 Evidence of Coverage.

Thank you for being a Humana member. We look forward to supporting your best health in 2025.

What to do now

1. **ASK:** Which changes apply to you

- ☐ Check the changes to our benefits and costs to see if they affect you.
 - Review the changes to Medical care costs (doctor, hospital).
 - Think about how much you will spend on premiums, deductibles, and cost sharing.
- ☐ Check to see if your primary care doctors, specialists, hospitals, and other providers, will be in our network next year.
- ☐ Think about whether you are happy with our plan.

2. **COMPARE:** Learn about other plan choices

- ☐ Check coverage and costs of plans in your area. Use the Medicare Plan Finder at www.medicare.gov/plan-compare website or review the list in the back of your *Medicare & You 2025* handbook. For additional support, contact your State Health Insurance Assistance Program (SHIP) to speak with a trained counselor.
- ☐ Once you narrow your choice to a preferred plan, confirm your costs and coverage on the plan's website.

3. **CHOOSE:** Decide whether you want to change your plan

- If you don't join another plan by December 7, 2024, you will stay in Humana USAA Honor Giveback (PPO).
- To change to a **different plan**, you can switch plans between October 15 and December 7. Your new coverage will start on **January 1, 2025**. This will end your enrollment with Humana USAA Honor Giveback (PPO).
- If you recently moved into or currently live in an institution (like a skilled nursing facility or long-term care hospital), you can switch plans or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) at any time. If you recently moved out of an institution, you have an opportunity to switch plans or switch to Original Medicare for two full months after the month you move out.

The Humana USAA Honor plans are available to anyone eligible for Medicare and veterans should consider all of their health plan options.

SECTION 3 Deciding Which Plan to Choose

Section 3.1 – If you want to stay in Humana USAA Honor Giveback (PPO)

To stay in our plan, you don't need to do anything. If you do not sign up for a different plan or change to Original Medicare by December 7, you will automatically be enrolled in our plan Humana USAA Honor Giveback (PPO).

Section 3.2 – If you want to change plans

We hope to keep you as a member next year but if you want to change plans for 2025 follow these steps:

Step 1: Learn about and compare your choices

- You can join a different Medicare health plan,
- -- OR -- You can change to Original Medicare. If you change to Original Medicare, you will need to decide whether to join a Medicare drug plan. If you do not enroll in a Medicare drug plan, there may be a potential Part D late enrollment penalty.

To learn more about Original Medicare and the different types of Medicare plans, use the Medicare Plan Finder (www.medicare.gov/plan-compare), read the *Medicare & You 2025* handbook, call your State Health Insurance Assistance Program (SHIP) (see Section 5), or call Medicare (see Section 7.2).

Step 2: Change your coverage

- To **change to a different Medicare health plan**, enroll in the new plan. You will automatically be disenrolled from Humana USAA Honor Giveback (PPO).
- To **change to Original Medicare with a prescription drug plan**, enroll in the new drug plan. You will automatically be disenrolled from Humana USAA Honor Giveback (PPO).
- To **change to Original Medicare without a prescription drug plan**, you must either:
 - Send us a written request to disenroll or visit our website to disenroll online. Contact Customer Care if you need more information on how to do so.
 - or – Contact **Medicare**, at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, and ask to be disenrolled. TTY users should call 1-877-486-2048.

SECTION 4 Deadline for Changing Plans

If you want to change to a different plan or to Original Medicare for next year, you can do it from **October 15 until December 7**. The change will take effect on January 1, 2025.

Are there other times of the year to make a change?

In certain situations, changes are also allowed at other times of the year. Examples include people with Medicaid, those who get "Extra Help" paying for their drugs, those who have or are leaving employer coverage, and those who move out of the service area.

If you enrolled in a Medicare Advantage plan for January 1, 2025, and don't like your plan choice, you can switch to another Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without Medicare prescription drug coverage) between January 1 and March 31, 2025.

If you recently moved into or, currently live in an institution (like a skilled nursing facility or long-term care hospital), you can change your Medicare coverage **at any time**. You can change to any other Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) at any time. If you recently moved out of an institution, you have an opportunity to switch plans or switch to Original Medicare for two full months after the month you move out.

SECTION 5 Programs That Offer Free Counseling about Medicare

The State Health Insurance Assistance Program (SHIP) is an independent government program with trained counselors in every state.

It is a state program that gets money from the Federal government to give **free** local health insurance counseling to people with Medicare. State Health Insurance Assistance Program (SHIP) counselors can help you with your Medicare questions or problems. They can help you understand your Medicare plan choices and answer questions about switching plans. You can call your State Health Insurance Assistance Program at the number listed in "Exhibit A" in the back of this document.

SECTION 6 Programs That Help Pay for Prescription Drugs

You may qualify for help paying for prescription drugs. Below we list different kinds of help:

- **"Extra Help" from Medicare.** People with limited incomes may qualify for "Extra Help" to pay for their prescription drug costs. If you qualify, Medicare could pay up to 75% or more of your drug costs including monthly prescription drug premiums, yearly deductibles, and coinsurance. Additionally, those who qualify will not have a late enrollment penalty. To see if you qualify, call:
 - 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048, 24 hours a day, 7 days a week;
 - The Social Security Office at 1-800-772-1213 between 8 am and 7 pm, Monday through Friday for a representative. Automated messages are available 24 hours a day. TTY users should call, 1-800-325-0778; or
 - Your State Medicaid Office.
- **Prescription Cost-sharing Assistance for Persons with HIV/AIDS.** The AIDS Drug Assistance Program (ADAP) helps ensure that ADAP-eligible individuals living with HIV/AIDS have access to life-saving HIV medications. To be eligible for the ADAP operating in your State, individuals must meet certain criteria, including proof of State residence and HIV status, low income as defined by the State, and uninsured/under-insured status. Medicare Part D prescription drugs that are also covered by ADAP qualify for prescription cost-sharing assistance through the ADAP program. For information on eligibility criteria, covered drugs, how to enroll in the program or if you are currently enrolled how to continue receiving assistance, call the ADAP program (the name and phone numbers for this organization are in "Exhibit A" in the back of this document). Be sure, when calling, to inform them of your Medicare Part D plan name or policy number.
