Humana provider directory

Making it easy to find the providers you need

Humana has created this directory to make it simple for you to find the providers that participate in your Humana plan. When you use a doctor or other healthcare provider participating in this provider network, you will receive benefits for covered services as shown in your specific plan documents. Humana considers a number of factors when selecting doctors, hospitals and other healthcare providers to participate in its provider networks.

This directory provides a resource to help you find any type of healthcare provider who is participating in the Humana network for your specific health insurance plan. If you have not purchased an insurance plan yet, this tool can help you determine if your chosen doctors and other healthcare providers are participating in the plan you are considering. It is important to note that not all healthcare providers participate in all Humana plans.

Get more up-to-date information

- Humana members and nonmembers can visit **Humana.com** and look under “find a doctor” for Humana’s online provider listing.
- Current Humana members can call Customer Service at the toll-free number on their member ID card.
- Nonmembers or those who have not received ID cards can call toll-free **800-4HUMANA**.

Current provider information

While the information contained in this directory is accurate as of the date of printing, participating providers and the makeup of the network are subject to change. We recommend that you consult Humana’s electronic provider directory on **Humana.com** or contact Humana Customer Care to verify that your provider is currently participating in the Humana network for your plan.

A doctor or other provider’s network participation may vary by the specific provider/group location. Please verify participation for the specific location. Additionally, please note that even though a particular doctor may be in a participating facility, that doctor may not participate in the network. Humana shall not be liable for any losses, damages or uncovered charges that may result from using this directory or receiving care from a provider listed here. You can also call the number on your ID card if you need help choosing a provider or have questions.

If you are unable to locate a gender-affirming treatment provider, we will identify a gender-affirming treatment provider for you.

For specialty out-of-network providers, you are protected from being balance billed the difference between what the provider charges and what your Humana plan allows for the following services: emergency services, physician services in an in-network facility (i.e. radiologist, anesthesiologist) and air ambulance. If you choose to see an out-of-network provider, you may be billed for any amount not paid by Humana. You can find out if your hospital’s providers participate in your Humana plan’s network in this directory after the multi-language interpreter services page or online by visiting **Humana.com/legal/health-provider-notice**. If you have questions, please call us at the number on your ID card.

Note: Some primary care physicians (PCP)/providers may not offer some services that may otherwise be covered under your plan based on religious or moral beliefs. If this happens to you, please call the Customer Care number on the back of your member ID card. If Humana learns that your designated PCP/provider limits counseling or develops referral services based on religious or moral grounds, we will tell you within 90 days of Humana receiving notice.

Specialized care

If you are enrolled in a plan that requires referrals and you need specialist care, your primary care physician will refer you to a network specialist or hospital. Many primary care physicians limit their referrals to certain specialists and hospitals, so be sure to check with your doctor whenever you need a referral. You should not assume that the services of a particular specialist or hospital listed here will be covered by your benefits, unless you have the referral.

You can also call the number on your ID card if you need help choosing a provider or have questions.

Referrals and authorizations

Some plans require you to obtain a referral from your PCP/provider or prior authorization from the plan before receiving certain services. Please refer to your benefit plan information for any referral or authorization requirements.

HMO Premier plan members only:

Your plan requires referrals from your primary care physician (PCP)/provider in order to receive in-network benefits from participating specialist.

Your directory contains the following sections:

1. How to use your provider directory: Overview of how provider categories are organized.
2. List of providers: Listings of providers according to type.
3. Index: Alphabetical listing of all providers and page numbers for more complete information.

Participating doctors and other providers listed here are not the agents, employees or partners of Humana or any of its affiliates or subsidiaries. They are independent contractors. Humana is not a provider of medical services. Humana does not endorse or control the clinical judgement or treatment recommendations made by the doctors or other providers listed here or otherwise chosen by you.

How to use your provider directory

This directory is separated into different types of providers. Begin your search by checking the Table of Contents before looking for a specific provider.

Please note: Mental health and substance abuse services must be coordinated through Humana's mental health benefits provider. See that section of the directory or your member ID card for the appropriate name and toll-free telephone number.

Some benefit plans may use a separate network for pharmacy services. See your specific plan documents for information on prescription drug coverage and participating providers.

Report updated provider information

Current Humana members can report inaccurate provider directory information by calling Humana Customer Service at the toll-free number on the back of your ID card or by visiting [Humana.com/help](https://www.humana.com/help).

How Humana selects providers for networks/access to care

Humana's provider networks include primary care physicians, specialists, hospitals, urgent care centers, imaging centers, labs, home health and many other services and healthcare providers. Humana works to ensure we have the right number of network healthcare providers in the right locations for our members. We continually review our networks by looking at the location of our network healthcare providers compared to where our members live. If our review shows we do not have enough healthcare providers in the right locations to meet our members' needs, we will work to add more providers to the network.

Provider qualifications

Doctors and other healthcare practitioners selected for Humana's networks undergo a thorough credentialing process. The credentialing process is a way to verify the qualifications of doctors and other healthcare providers. The process includes checking education and training, licensure, board certification, malpractice claims history and other background information that applies to the provider's specialty. Doctors are reevaluated at least every three years.

Cost

In order to participate in Humana's network, healthcare providers must be willing to agree to a negotiated rate. These negotiated rates are one advantage of having health insurance, because members save on the services they receive when they visit a healthcare provider in their Humana network. Humana looks for healthcare providers who are willing to agree to reimbursement arrangements that reward them for meeting certain performance standards or outcome metrics for their patients.

Provider financial arrangements

Humana has an extensive provider network and several types of provider agreements that are common to managed care plans. Many doctors are paid on a fee-for-service basis or for each service you receive from them. Some doctors have capitation agreements. This means that the doctor is paid a set dollar amount each month to care for each member regardless of how many services a particular member may receive, or in some cases, whether services are provided by the primary care physician or a specialist. Stop-loss insurance protects some doctors from financial loss in case the actual costs incurred in caring for members exceed certain sums.

Some providers may also be eligible to receive additional reimbursement from Humana based on established utilization and other criteria. If the doctor you'd like to select is not currently part of Humana's network, they have the right to become a participating provider. To do so, the doctor must meet Humana's enrollment criteria for providers and must be willing to meet our terms and conditions for participation in a Humana network.

Prescription drugs (if included in your plan)

To have a prescription filled, simply go to any participating pharmacy, show your plan ID card and pay the required copayment — this amount is shown on your ID card. The Humana Drug List (which may be referred to as “formulary” in your Certificate) is a list of prescription drug products. Prescription drug products, or classes of certain prescription drug products, are generally reviewed by a medical committee comprised of doctors and pharmacists for safety, effectiveness and affordability prior to placement on the Humana Drug List. The committee regularly updates the Drug List and reviews existing prescription drug products on a case-by-case basis. You should always discuss prescription drugs with your doctor to determine the appropriateness or clinical effectiveness with respect to you or any specific illness. This list is subject to change during the plan year.

If your plan covers prescription drugs, it may or may not cover drugs outside the Drug List. When a plan excludes coverage of drugs that are not on the Drug List, exceptions may be made under certain circumstances of medical necessity. Please see your plan information or your Certificate for specific coverage and copayment levels. Managed Drug Limitations (MDL) apply to coverage of certain drugs to ensure correct usage. Prescription medications must be used properly to deliver the desired results. These limitations are generally based on patient age or gender, dosage maximums and/or duration.

You will need prior authorization before certain prescription drugs can be covered under your plan. To get prior authorization, your qualified practitioner must contact our clinical hotline for approval prior to dispensing the drug. The clinical specialist will talk with your qualified practitioner about your diagnosis, course of treatment, types of medical tests administered, etc. Participating doctors are generally aware of which medications require prior authorization. For detailed information about the Drug List, Managed Drug Limitations or prior authorization, including complete listings, Humana members may contact the Customer Service department or refer to the member section of **Humana.com**. If you are not yet a member of a Humana health plan, please contact your benefits administrator for this information.

Patient experience

Humana makes a priority of contracting with doctors who have admitting privileges at our participating network hospitals. This means the doctor has a relationship with the hospital and is allowed to admit patients there. This helps members go to a hospital that is in their network when hospitalization is needed. If you use a hospital that is not in your specific health insurance plan’s network, Humana may pay less or may not pay for the services you receive. Humana also considers member complaints received about specific doctors, hospitals and other healthcare providers when deciding whether to continue a provider’s contract with our network.

Waiting times for appointments

Urgent care is defined as an unexpected illness/injury requiring treatment to prevent serious decline in health, but not life-threatening. Examples include ear infection in child, fever lasting one to two days and persistent symptoms of illness lasting three to four days. The standard for an appointment is the same day or next day. Routine care is defined as a return visit to check blood pressure, rash, arthritis, etc. Our goal for the standard of care is seven (7) calendar days.

If you have a complaint

We want you to be happy with your Humana plan. If you are ever dissatisfied with the healthcare or service you receive, please call Customer Service and tell us. If you are not satisfied with the results of your phone call, you may file a formal complaint, called a grievance, by writing to us. Consult your Certificate for complete instructions and the address to use.

Appeals process

Humana carefully monitors our healthcare services for your satisfaction. Nevertheless, problems may sometimes arise, and we want to hear about them. Our grievance procedure is designed to help resolve problems and make improvements. It follows the process outlined below. If you have a problem with the plan, contact the Customer Service department. A representative will try to resolve your complaint promptly. If you are dissatisfied with the response, you may submit your complaint to us in writing. If you have a concern with the quality of care you received or wish to file an appeal about a denied claim, service or an unresolved issue, please send your request to us in writing.

If you are not satisfied with the resolution of the plan’s internal grievance process concerning a grievance where you have had a denial or reduction of coverage for what would be a covered service, you or an authorized representative may request an external review of the decision. Please consult your Certificate for details to initiate this process and contact Customer Service at the toll-free number listed on your ID card to get the current mailing address. If you disagree with the decision, you may appeal in writing to the Department of Insurance.

Expedited appeal process

You can get a faster, expedited request if your health or ability to function could be seriously harmed by waiting for a standard appeal response. Humana will evaluate your request and medical condition to determine if your request qualifies as an expedited appeal. If your appeal does not meet the expedited criteria, your request will be processed within the standard appeal time frame.

For Illinois members:

You may contact the Illinois Department's Office of Consumer Health Insurance at doi.complaints@illinois.gov or call toll-free: 877-527-9431.

For Ohio members:

If a physician, pharmacy or facility that is participating with your plan changes status to no longer participate we will notify you if you have utilized the physician, pharmacy or facility within the previous 12 months. Continuing to receive services from a physician, pharmacy or facility that is not participating with your plan will result in higher out-of-pocket costs. See your Certificate/Summary Plan Document for information related to any available out of network coverage.

Some Ohio hospitals may have out-of-network medical providers such as emergency room physicians and anesthesiologists treating patients. If you receive care from these out-of-network healthcare providers within an in-network hospital, you may be responsible for the difference between the providers' charges and the allowed amount considered by the plan. For more detailed information about your benefits, please contact Customer Care at the number on the back of your Humana member ID card.

Directorio de proveedores de Humana

Le facilitamos la búsqueda de los proveedores que necesita

Humana ha creado este directorio para que le resulte sencillo encontrar los proveedores que participan en su plan de Humana. Cuando utilice un médico u otro proveedor de cuidado de la salud que participe en esta red de proveedores, recibirá beneficios por servicios cubiertos según se indica en los documentos específicos de su plan. Humana tiene en cuenta una serie de factores al seleccionar médicos, hospitales y otros proveedores de cuidado de la salud para que participen en sus redes de proveedores.

Este directorio proporciona un recurso para ayudarle a encontrar cualquier tipo de proveedor de cuidado de la salud que participe en la red de Humana para su plan de seguro de salud específico. Si aún no ha comprado un plan de seguro, esta herramienta puede ayudarle a determinar si los médicos y otros proveedores de cuidado de la salud que eligió participan en el plan que está considerando. Es importante tener en cuenta que no todos los proveedores de cuidado de la salud participan en todos los planes de Humana.

Obtenga la información más actualizada

- Los afiliados y no afiliados de Humana pueden visitar **espanol.humana.com** y buscar en “Find a Doctor” (Encontrar un médico) la lista de proveedores en línea de Humana.
- Los afiliados actuales de Humana pueden llamar al Servicio al cliente al número gratuito que aparece en su tarjeta de identificación del afiliado.
- Las personas no afiliadas o que no han recibido tarjetas de identificación pueden llamar sin cargo al **1-800-4HUMANA**.

Información actualizada de proveedores

Si bien la información que contiene este directorio es precisa a la fecha de impresión, los proveedores participantes y la composición de la red están sujetos a cambios. Le recomendamos que consulte el Directorio de proveedores electrónico de Humana en **espanol.humana.com** o que se comunique con Atención al cliente de Humana para verificar si su proveedor actualmente participa en la red de Humana para su plan.

La participación de un médico u otro proveedor en la red puede variar según la ubicación específica del proveedor/grupo. Verifique la participación para la ubicación específica. Además, tenga en cuenta que, aunque es posible que un médico en particular esté en un centro participante, puede que ese médico no forme parte de la red. Humana no será responsable de ninguna pérdida, daño o cargo no cubierto como resultado del uso de este directorio o de recibir cuidado médico de un proveedor que figura aquí. También puede llamar al número que aparece en su tarjeta de identificación si necesita ayuda para elegir un proveedor o si tiene preguntas.

Si no puede encontrar un proveedor de tratamiento relacionado con la reafirmación de identidad de género, buscaremos un proveedor para este tipo de tratamiento por usted.

En el caso de proveedores de especialidad fuera de la red, usted cuenta con protección para que no se le facture el saldo por la diferencia entre lo que cobra el proveedor y lo que permite su plan de Humana para los siguientes servicios: servicios en casos de emergencia, servicios de médicos en un centro de la red (es decir, radiólogo, anestesiólogo) y ambulancia aérea. Si opta por consultar a un proveedor fuera de la red, es posible que se le facture cualquier cantidad que Humana no pague. Para averiguar si los proveedores de su hospital participan en la red de su plan de Humana, revise este directorio después de la página de servicios de intérpretes en diferentes idiomas o visite **Humana.com/legal/health-provider-notice**. Si tiene preguntas, llámenos al número que aparece en su tarjeta de identificación.

Tenga en cuenta: Es posible que algunos médicos de cuidado primario (PCP, por sus siglas en inglés)/proveedores no ofrezcan, sobre la base de creencias religiosas o morales, algunos servicios que de otro modo podrían estar cubiertos conforme a nuestro plan. Si le ocurre esto, llame al número de Atención al cliente que está al reverso de su tarjeta de identificación del afiliado. Si Humana se entera de que su PCP/proveedor designado limita el asesoramiento o aplica servicios de referidos sobre la base de fundamentos religiosos o morales, se lo informaremos dentro de los 90 días posteriores a la recepción del aviso por parte de Humana.

Atención especializada

Si está inscrito en un plan que requiere referidos y necesita cuidado de un especialista, su médico de cuidado primario lo referirá a un especialista u hospital de la red. Muchos médicos de cuidado primario limitan sus referidos a ciertos especialistas y hospitales, así que asegúrese de consultar a su médico cada vez que necesite un referido. No debe suponer que los servicios de un especialista u hospital en particular que se mencionen aquí estarán cubiertos por sus beneficios, salvo que cuente con un referido.

También puede llamar al número que aparece en su tarjeta de identificación si necesita ayuda para elegir un proveedor o si tiene preguntas.

Referidos y autorizaciones

Algunos planes requieren que usted obtenga un referido de su PCP/proveedor o una autorización previa del plan antes de recibir determinados servicios. Consulte la información de su plan de beneficios para conocer los requisitos de referido o autorización.

Solo para afiliados del plan HMO Premier:

Su plan requiere referidos de su médico de cuidado primario (PCP, por sus siglas en inglés)/proveedor para recibir beneficios dentro de la red de un especialista participante.

Su directorio contiene las siguientes secciones:

1. Cómo utilizar su Directorio de proveedores: descripción general de cómo se organizan las categorías de proveedores.
2. Lista de proveedores: listados de proveedores por tipo de proveedor.
3. Índice: listado alfabético de todos los proveedores y números de página para obtener información más completa.

Los médicos participantes y demás proveedores que figuran aquí no son agentes, empleados ni socios de Humana ni de ninguna de sus empresas afiliadas o subsidiarias. Son contratistas independientes. Humana no es un proveedor de servicios médicos. Humana no avala ni controla el criterio clínico ni las recomendaciones de tratamiento de los médicos y demás proveedores enumerados aquí o que de otro modo usted haya seleccionado.

Cómo utilizar su Directorio de proveedores

Este directorio está separado en diferentes tipos de proveedores. Comience su búsqueda consultando el Índice antes de buscar un proveedor específico.

Tenga en cuenta: Los servicios de salud mental y farmacodependencia deben coordinarse a través del proveedor de beneficios de salud mental de Humana. Consulte dicha sección del directorio o su tarjeta de identificación del plan para ver el nombre y número de teléfono sin cargo correspondientes.

Algunos planes de beneficios pueden utilizar una red separada para servicios de farmacia. Consulte los documentos específicos de su plan para obtener información sobre la cobertura para medicamentos recetados y los proveedores participantes.

Reporte información actualizada sobre proveedores

Los afiliados actuales de Humana pueden reportar información incorrecta en el Directorio de proveedores; para ello, deben llamar al Servicio al cliente de Humana al número gratuito que aparece al reverso de su tarjeta de identificación o visitar espanol.humana.com/help.

Cómo selecciona Humana a los proveedores para las redes y el acceso al cuidado

Las redes de proveedores de Humana incluyen médicos de cuidado primario, especialistas, hospitales, centros de cuidado de urgencia, centros de imágenes, laboratorios, servicios de cuidado de la salud en el hogar y muchos otros servicios y proveedores de cuidado de la salud. Humana trabaja para garantizar que tengamos la cantidad adecuada de proveedores de cuidado de la salud de la red en los lugares adecuados para nuestros afiliados. Revisamos continuamente nuestras redes para ver la ubicación de nuestros proveedores de cuidado de la salud en comparación con el lugar donde viven nuestros afiliados. Si nuestra revisión indica que no tenemos suficientes proveedores de cuidado de la salud en los lugares adecuados para satisfacer las necesidades de nuestros afiliados, trabajaremos para agregar más proveedores a la red.

Acreditaciones del proveedor

Los médicos y otros profesionales del cuidado de la salud seleccionados para las redes de Humana se someten a un minucioso proceso de acreditación. El proceso de acreditación es una manera de verificar las acreditaciones de los médicos y otros proveedores de cuidado de la salud. El proceso incluye la verificación de la educación y la capacitación, la licencia, la certificación de la Junta, el historial de reclamaciones por mala praxis y otra información de antecedentes que se aplique a la especialidad del proveedor. A los médicos se los vuelve a evaluar al menos cada tres años.

Costo

Para participar en la red de Humana, los proveedores de cuidado de la salud deben estar dispuestos a aceptar una tarifa negociada. Estas tarifas negociadas son una de las ventajas de tener un seguro de salud, ya que los afiliados ahorran en los servicios que reciben cuando consultan a un proveedor de cuidado de la salud de su red de Humana. Humana busca proveedores de cuidado de la salud que estén dispuestos a aceptar acuerdos de reembolso que los recompensen por cumplir con determinados estándares de desempeño o métricas de resultados para sus pacientes.

Acuerdos económicos de los proveedores

Humana tiene una amplia red de proveedores y varios tipos de acuerdos con los proveedores que son comunes para los planes de cuidado administrado. A muchos médicos se les paga un cargo por servicio o por cada servicio que usted recibe de ellos. Algunos médicos tienen acuerdos de capitación. Esto quiere decir que al médico se le paga una cantidad fija todos los meses para atender a cada afiliado independientemente de la cantidad de servicios que reciba un afiliado en particular o, en algunos casos, de si los servicios los proporciona el médico de cuidado primario o un especialista. El seguro limitador de pérdidas protege a algunos médicos contra pérdidas financieras en caso de que los costos reales en que se incurra por el cuidado de los afiliados excedan ciertas sumas.

Algunos proveedores también pueden ser elegibles para recibir un reembolso adicional de Humana que está basado en una utilización establecida y otros criterios. Si el médico que usted desea seleccionar actualmente no forma parte de la red de Humana, ese médico tiene derecho a convertirse en un proveedor participante. Para hacerlo, el médico debe cumplir con los criterios de inscripción de proveedores de Humana y debe estar dispuesto a cumplir con nuestros términos y condiciones para participar en una red de Humana.

Cobertura de medicamentos recetados (si está incluida en su plan)

Para que le surtan un medicamento recetado, simplemente diríjase a cualquier farmacia participante, muestre su tarjeta de identificación del plan y abone el copago requerido: esta cantidad aparece en su tarjeta de identificación. La Lista de medicamentos de Humana (que puede denominarse “formulario” en su certificado) es una lista de productos de medicamentos recetados. Por lo general, un comité médico formado por médicos y farmacéuticos revisa los productos de medicamentos recetados, o clases de determinados productos de medicamentos recetados, para determinar su seguridad, eficacia y asequibilidad antes de incluirlos en la Lista de medicamentos de Humana. El comité actualiza regularmente la Lista de medicamentos y revisa caso a caso los productos de medicamentos recetados existentes. Siempre debe hablar con su médico sobre los medicamentos recetados para determinar si son adecuados o eficaces en términos clínicos con respecto a usted o a cualquier enfermedad específica. Esta lista puede cambiar durante el año del plan.

Si su plan cubre medicamentos recetados, puede que cubra o no medicamentos fuera de la Lista de medicamentos. Cuando un plan excluye la cobertura de medicamentos que no están en la Lista de medicamentos, se pueden hacer excepciones en determinadas circunstancias cuando son necesarios por razones médicas. Consulte la información de su plan o su certificado para conocer los niveles específicos de cobertura y copago. Se aplican Limitaciones a medicamentos controlados (MDL, por sus siglas en inglés) a la cobertura de determinados medicamentos para garantizar el uso correcto. Los medicamentos recetados deben utilizarse adecuadamente para obtener los resultados deseados. Por lo general, estas limitaciones se basan en la edad o el sexo del paciente, las dosis máximas o la duración del tratamiento.

Necesitará autorización previa para que determinados medicamentos recetados puedan tener cobertura conforme a su plan. Para obtener la autorización previa, su profesional médico acreditado debe comunicarse con nuestra línea directa clínica para obtener la aprobación antes de despachar el medicamento. El especialista clínico hablará con su profesional médico acreditado sobre su diagnóstico, curso de tratamiento, tipos de pruebas médicas administradas, etc. Los médicos participantes generalmente saben qué medicamentos requieren autorización previa. Para obtener información detallada sobre la Lista de medicamentos, las Limitaciones a medicamentos controlados o la autorización previa, incluidas las listas completas, los afiliados de Humana pueden comunicarse con el Departamento de servicio al cliente o consultar la sección para afiliados en espanol.humana.com. Si aún no está afiliado a un plan de salud de Humana, comuníquese con su administrador de beneficios para obtener esta información.

Experiencia del paciente

Humana tiene como prioridad tener contratos con médicos que tengan privilegios de admisión en nuestros hospitales participantes de la red. Esto significa que el médico tiene una relación con el hospital y puede admitir pacientes allí. Esto ayuda a los afiliados a acudir a un hospital de su red cuando se necesita hospitalización. Si utiliza un hospital que no está en la red específica de su plan de seguro de salud, es posible que Humana pague menos o que no pague los servicios que usted recibe. Humana también toma en cuenta las quejas recibidas de los afiliados sobre médicos, hospitales y otros proveedores de cuidado de la salud específicos al momento de decidir si continúa con el contrato de un proveedor en nuestra red.

Tiempos de espera para citas

El cuidado de urgencia se define como una enfermedad/lesión inesperada que requiere tratamiento para evitar un deterioro grave de la salud, pero que no pone en peligro la vida. Algunos ejemplos son infección de oído en niños, fiebre de uno a dos días y síntomas persistentes de enfermedad que duran de tres a cuatro días. El estándar para una cita es el mismo día o el día siguiente. El cuidado rutinario se define como una consulta de seguimiento para controlar la presión arterial, un sarpullido, artritis, etc. Nuestro objetivo para el estándar de cuidado médico es de siete (7) días calendario.

Si tiene una queja

Queremos que esté conforme con nuestro plan de Humana. Si alguna vez no está conforme con el cuidado de la salud o el servicio que recibe, llame a Servicio al cliente y comuniquémoslo. Si no está conforme con los resultados de su llamada telefónica, puede presentar una queja, llamada queja formal, escribiéndonos. Consulte su certificado para obtener instrucciones completas y la dirección que debe utilizar.

Proceso de apelación

Humana monitorea cuidadosamente nuestros servicios de cuidado de la salud para su satisfacción. Sin embargo, a veces pueden surgir problemas, y queremos escucharlos. Nuestro procedimiento de quejas formales está diseñado para ayudar a resolver problemas y realizar mejoras. Se debe realizar conforme lo descrito a continuación. Si usted tiene un problema con el plan, comuníquese con el Departamento de servicio al cliente. Un representante intentará resolver su queja de inmediato. Si no está conforme con la respuesta, puede enviarnos su queja por escrito. Si tiene alguna inquietud con respecto a la calidad del cuidado médico que recibió o desea presentar una apelación sobre una reclamación denegada, un servicio o un problema no resuelto, envíenos su solicitud por escrito.

Si no está conforme con la resolución del proceso interno de quejas formales del plan con respecto a una queja formal en la que se le ha denegado o reducido la cobertura de lo que sería un servicio cubierto, usted o un representante autorizado pueden solicitar una revisión externa de la decisión. Consulte su certificado para obtener detalles sobre cómo iniciar este proceso y comuníquese con Servicio al cliente al número gratuito que aparece en su tarjeta de identificación para obtener la dirección postal actual. Si no está de acuerdo con la decisión, puede apelar por escrito ante el Departamento de Seguros.

Proceso de apelación acelerada

Puede presentar una solicitud de apelación acelerada si su salud o su capacidad funcional podrían verse gravemente dañadas por esperar una respuesta de una apelación estándar. Humana evaluará su solicitud y su afección médica para determinar si su solicitud puede considerarse como una apelación acelerada. Si su apelación no cumple con el criterio de apelación acelerada, su solicitud será procesada dentro del marco de tiempo para las apelaciones estándar.

Consulte su certificado/documento resumido del plan para obtener información relacionada con cualquier cobertura disponible fuera de la red.

En algunos hospitales de Ohio ciertos proveedores médicos fuera de la red, como médicos de salas de emergencias y anestesiólogos, pueden atender a los pacientes. Si recibe cuidado médico de estos proveedores de cuidado de la salud fuera de la red en un hospital de la red, es posible que usted sea responsable de la diferencia entre los cargos de los proveedores y la cantidad permitida que considera el plan.
