Humana Value Rx Plan or Humana Premier Rx Plan Pharmacy Directory

Section 1 - Introduction

This list is current as of

This booklet provides a list of Humana Value Rx Plan or Humana Premier Rx Plan network pharmacies. We may also list pharmacies that are in our network but are outside the service area in which you live. You may also fill your prescriptions at these pharmacies. For more information please contact us at the numbers on the front and back cover.

To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Humana Value Rx Plan or Humana Premier Rx Plan's Prescription Drug Guide.

If you notice part of a pharmacy listing that needs updating or may contain an error, please contact Customer Care with this information. Contacting Customer Care with this information, as well as the plan's own effort in maintaining pharmacy data, will assist in keeping the pharmacy data contained within this document updated. Customer Care contact information can be found on the front and back covers.

You can get prescription drugs shipped to your home through our network mail order pharmacies. For more information, please contact us or see the mail order section of this pharmacy directory.

This information is available for free in a different format, including Braille, large print, and audio tapes. Please call Customer Care at the number(s) listed on the front and back covers if you need plan information in another format.

This document is available for free in Spanish.

How to get the most out of your network

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. You may go to any of our network pharmacies listed in this directory. In most cases, your prescriptions are covered under Humana Value Rx Plan or Humana Premier Rx Plan only if they are filled at a network retail pharmacy or mail order pharmacy. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription, but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. Pharmacies listed may also have a different cost share status. For the most current list, please contact us. You can visit our website or contact us at the numbers on the front and back cover pages.

You can go to all the pharmacies on this list, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost sharing. We have marked these pharmacies with three asterisks (***) or with a label to distinguish them from other pharmacies in our network that offer standard cost sharing. Not all plans offer preferred cost sharing. Please refer to your Evidence of Coverage (EOC) for more information.

The Humana Premier RX Plan (PDP) and the Humana Value RX Plan (PDP) Prescription Drug Plan pharmacy networks include limited lower-cost, preferred pharmacies in urban areas of AR, CT, DE, IA, IN, KY, MA, MI, MN, MO, ND, NJ, NY, OH, RI, SD, TN, WI, WV; suburban areas of AZ, CT, DE, HI, IN, MA, MI, MN, MT, ND, NJ, NY, OH, PA, PR, RI, WI, WV; and rural areas of AK, IA, MN, MT, ND, NE, SD, VT, WY. There are an extremely limited number of preferred cost share pharmacies in urban areas in the following states: DE, MI, MN, ND; suburban areas of MT and ND; and rural areas of ND. The lower costs advertised in our plan materials for these pharmacies may not be available at the pharmacy you use. For up-to-date information about our network pharmacies, including whether there are any lower-cost preferred pharmacies in your area, please call Customer Care at **1-800-281-6918** (TTY: **711**) or consult the online pharmacy directory at **Humana.com**.

How do you find network pharmacies in your area?

Pharmacies are listed in this directory by type, then by state, followed by county, parish or municipality. Within each county, parish or municipality, the cities and then each pharmacy is shown alphabetically.

Section 2 - Network Pharmacies

Mail Order Pharmacies

Pharmacies with preferred mail order cost sharing are pharmacies in Humana's network in which Humana has negotiated lower cost sharing than at pharmacies with standard mail order cost sharing for its plan members for covered prescription drugs. However, you will still have access to lower drug prices at pharmacies with standard mail order cost sharing than at out-of-network mail order pharmacies. You may go to either preferred or standard cost sharing network mail order pharmacies to receive your covered prescription drugs.

If your plan does not have preferred mail order cost sharing pharmacy benefits, you may use any mail order pharmacy listed.

You can get prescription drugs shipped to your home through our network mail order pharmacies. Typically, you should expect to receive your prescription drugs from 5 to 7 days for refills and 7 to 10 days for new prescriptions from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at the numbers found on the front and back covers.

For refills of your mail order prescriptions with some mail order pharmacies, you may have the option to sign up for an automatic refill program. Under this program, the mail order pharmacy will start to process your next refill automatically when records show that you should be close to running out of your drug. The mail order pharmacy may contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the auto refill program, please contact the mail order pharmacy 14 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill program, please contact the mail order pharmacy.

Are home infusion pharmacies part of the pharmacy network?

Humana Value Rx Plan or Humana Premier Rx Plan will cover infusion therapy drugs if:

- Your prescription drug is on your Humana Value Rx Plan or Humana Premier Rx Plan formulary, or you have a formulary exception;
- Humana Value Rx Plan or Humana Premier Rx Plan has approved your prescription drug for home infusion therapy; and
- Your prescription is written by an authorized prescriber.

Are long-term care pharmacies part of the pharmacy network?

Residents of a long-term care facility may access their prescription drugs covered under Humana Value Rx Plan or Humana Premier Rx Plan through the facility's long-term care pharmacy or another network long-term care pharmacy.

Are Indian Health Service/Tribal/Urban Indian Health Program (I/T/U) Pharmacies part of the pharmacy network?

Only Native Americans and Alaska Natives have access to Indian Health Service/Tribal/Urban Indian Health Program (I/T/U) Pharmacies through Humana Value Rx Plan or Humana Premier Rx Plan's pharmacy network. Those other than Native Americans and Alaskan Natives may be able to access these pharmacies under limited circumstances (e.g. emergencies).

What are Physician Dispensing Pharmacies?

These are Physicians/Clinics that are part of Humana's pharmacy networks that can dispense prescribed medications from within their office.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

Directorio de farmacias de Humana Value Rx Plan o Humana Premier Rx Plan

Sección 1 - Introducción

Este directorio está actualizado a partir del

Este folleto provee una lista de farmacias de la red de Humana Value Rx Plan o Humana Premier Rx Plan. También es posible que incluyamos farmacias que están en nuestra red, pero que están fuera del área de servicio en la cual usted vive. Usted también puede surtir sus medicamentos recetados en estas farmacias. Para obtener más información, contáctenos a los números que aparecen en la portada y la contraportada.

Para obtener una descripción completa de su cobertura para medicamentos recetados, incluyendo cómo surtir sus medicamentos recetados, revise la Evidencia de Cobertura y la Guía de medicamentos recetados de Humana Value Rx Plan o Humana Premier Rx Plan.

Si observa que una parte de un listado de farmacias necesita actualización o puede contener un error, contacte a Atención al cliente y provea esta información. Contactar a Atención al cliente y proveer esta información, así como los esfuerzos del plan para administrar los datos de las farmacias, ayudará a mantener actualizados los datos de las farmacias incluidos en este documento. Puede encontrar la información de contacto de Atención al cliente en la portada y la contraportada.

Puede hacer que le envíen medicamentos recetados a su hogar a través de nuestras farmacias de pedido por correo de la red. Para obtener más información, comuníquese con nosotros o consulte la sección de pedido por correo de este directorio de farmacias.

Esta información está disponible gratuitamente en un formato diferente, incluso Braille, letra grande y cintas de audio. Llame a Atención al cliente a los números que aparecen en la portada y la contraportada si necesita información del plan en otro formato.

Este documento está disponible gratis en español.

Cómo aprovechar al máximo su red

Las farmacias de esta lista se denominan "farmacias de la red" porque hemos acordado con ellas para proporcionar medicamentos recetados a los afiliados del plan. Puede ir a cualquiera de las farmacias de nuestra red que aparecen en este directorio. En la mayoría de los casos, los medicamentos recetados están cubiertos por Humana Value Rx Plan o Humana Premier Rx Plan únicamente si se surten en una farmacia minorista o una farmacia de pedido por correo de nuestra red. Una vez que vaya a una farmacia, no está obligado a seguir yendo a la misma farmacia para surtir su medicamento recetado; puede cambiar a cualquiera de nuestras farmacias de la red. Bajo ciertas circunstancias, surtiremos medicamentos recetados en farmacias que no pertenecen a la red, según se describe en su Evidencia de Cobertura.

Es posible que no todas las farmacias de la red estén incluidas en este directorio. Tal vez se hayan añadido o eliminado farmacias de la lista después de la impresión de este directorio. Esto significa que las farmacias enumeradas aquí podrían ya no formar parte de nuestra red, o podría haber farmacias nuevas en nuestra red que no han sido incluidas. Además, es posible que las farmacias incluidas tengan un estado de costos compartidos diferente. Para obtener la lista más actualizada, por favor contáctenos. Usted puede visitar nuestra página web o contactarnos llamando a los números de contacto que aparecen en las páginas de la portada y la contraportada.

Puede ir a todas las farmacias de esta lista, pero sus costos por algunos medicamentos podrían ser menores en las farmacias de esta lista que ofrecen costos compartidos preferidos. Hemos marcado estas farmacias con tres asteriscos (***) o con una etiqueta para distinguirlas de otras farmacias en nuestra red que ofrecen costos compartidos estándares. No todos los planes ofrecen costos compartidos preferidos. Consulte su Evidencia de Cobertura (EOC, por sus siglas en inglés) para obtener más información.

Las redes de farmacias del plan de medicamentos recetados del plan de Humana Premier RX (PDP) y del plan Value RX (PDP) de Humana incluyen un número limitado de farmacias preferidas con costos menores, en las áreas urbanas de AR, CT, DE, IA, IN, KY, MA, MI, MN, MO, ND, NJ, NY, OH, RI, SD, TN, WI, WV; las áreas suburbanas de AZ, CT, DE, HI, IN, MA, MI, MN, MT, ND, NJ, NY, OH, PA, PR, RI, WI, WV; y las áreas rurales de AK, IA, MN, MT, ND, NE, SD, VT, WY. Hay un número sumamente reducido de farmacias con costos compartidos preferidos en las áreas urbanas de los siguientes estados: DE, MI, MN, ND; las áreas suburbanas de MT y ND; y las áreas rurales de ND. Es posible que los costos menores anunciados en los materiales de nuestro plan para estas farmacias no estén disponibles en la farmacia que usted usa. Si desea información actualizada sobre las farmacias de nuestra red, incluso si hay farmacias preferidas con costos menores en su área, llame a Atención al cliente al **1-800-281-6918** (TTY: **711**) o consulte el directorio de farmacias en línea en **es-www.humana.com**.

¿Cómo puede buscar farmacias de la red en su área?

Las farmacias se enumeran en este directorio por tipo, luego por estado, a continuación por condado, parroquia o municipalidad. Dentro de cada condado, parroquia o municipalidad, las ciudades y luego cada farmacia se muestra por orden alfabético.

Sección 2 – Farmacias de la red

Farmacias de pedido por correo

Las farmacias de pedido por correo con costos compartidos preferidos son farmacias de la red de Humana con las cuales Humana ha negociado costos compartidos inferiores a los de las farmacias de pedido por correo con costos compartidos estándares para los afiliados del plan para medicamentos recetados cubiertos. Sin embargo, usted aún tendrá acceso a precios de medicamentos más bajos en farmacias de pedido por correo con costos compartidos estándares que en farmacias de pedido por correo fuera de la red. Usted puede ir a farmacias de pedido por correo de la red de costos compartidos que sean preferidos o estándares para recibir sus medicamentos recetados cubiertos.

Si su plan no tiene beneficios de farmacias de pedido por correo con costos compartidos estándares y preferidos, puede utilizar cualquier farmacia de pedido por correo en la lista.

Puede recibir los medicamentos recetados en su hogar a través de las farmacias de pedido por correo de nuestra red. Por lo general, puede esperar recibir sus medicamentos recetados de 5 a 7 días para repeticiones de recetas y de 7 a 10 días para nuevas recetas desde el momento en que la farmacia de pedido por correo recibe el pedido. Si no recibe su(s) medicamento(s) recetado(s) en este tiempo, contáctenos a los números que se encuentran en la portada y la contraportada.

Para repeticiones de receta de pedido por correo con ciertas farmacias de pedido por correo, es posible que tenga la opción de inscribirse en un programa de repetición de receta automática. Bajo este programa, la farmacia de pedido por correo comenzará a procesar su próxima repetición de receta automáticamente cuando los registros muestren que debe estar a punto de quedarse sin su medicamento. Es posible que la farmacia de pedido por correo se ponga en contacto con usted antes de enviar cada repetición de receta para asegurarnos de que necesita más medicamentos. Puede cancelar las repeticiones de receta programadas si tiene suficiente medicamento o si su medicamento ha cambiado. Si elige no utilizar el programa de repetición de receta automática, contacte a la

farmacia de pedido por correo 14 días antes del momento en que cree que se le acabarán los medicamentos, para asegurarse de que se le envíe a tiempo el próximo pedido. Para optar por no participar en el programa de repetición de receta automática, comuníquese con la farmacia de pedido por correo.

¿Forman parte de la red de farmacias las farmacias de infusión en el hogar?

Humana Value Rx Plan o Humana Premier Rx Plan cubrirá los medicamentos para terapia de infusión si:

- Su medicamento recetado aparece en su formulario de Humana Value Rx Plan o Humana Premier Rx Plan, o si cuenta con una excepción al formulario;
- Humana Value Rx Plan o Humana Premier Rx Plan ha aprobado su medicamento recetado para terapia de infusión en el hogar; y
- Su medicamento ha sido recetado por un profesional que receta autorizado.

¿Forman parte de la red de farmacias las farmacias de cuidado a largo plazo?

Los residentes de un centro de cuidado a largo plazo pueden tener acceso a sus medicamentos recetados cubiertos por Humana Value Rx Plan o Humana Premier Rx Plan a través de la farmacia de cuidado a largo plazo del centro u otra farmacia de cuidado a largo plazo de la red.

¿Forman parte de la red de farmacias las farmacias del Programa de servicios de salud indígena/tribal/urbana (I/T/U)?

Solo los indios americanos y los nativos de Alaska tienen acceso a las farmacias del Programa de servicios de salud indígena/tribal/urbana (I/T/U) a través de la red de farmacias de Humana Value Rx Plan o Humana Premier Rx Plan. Aquellos que no sean indios americanos ni nativos de Alaska podrían tener acceso a estas farmacias bajo circunstancias limitadas (por ejemplo, emergencias).

¿Qué son las farmacias con médicos que despachan medicamentos?

Son médicos o clínicas que forman parte de la red de farmacias de Humana que pueden despachar los medicamentos recetados dentro de su consultorio.

Si tiene preguntas acerca de lo señalado anteriormente, consulte la portada y la contraportada de este directorio para obtener información acerca de cómo contactarnos.
