

2024 Medicare Star Rating Program learning series

Scan the QR code to access this flyer and register from your device.

Humana's Medicare Stars Learning team is pleased to offer a series of live facilitated educational opportunities in 2024.

Two ways to register

On your computer

1. Choose a topic from the menu at the right to view available sessions.
2. While holding the control button, click "Register" next to the session you would like to attend.
3. Complete the registration process.

On your mobile device

1. Scan the QR code at the top of this flyer.
2. Tap the session you would like to attend.
3. Complete the registration process.

Registration tips

- Each participant must register individually. **Please do not forward the meeting link** that you will receive upon registration. You are welcome and encouraged to forward this flyer.
- Links for each session are embedded in the tables. You may register for as many sessions as you like.
- After completing registration, you will receive a confirmation email containing information about how to join the meeting. A link in the confirmation email allows you to add this meeting to your calendar.
- Registration must take place prior to the event. Only registered participants will be eligible for CMEs on the appropriate sessions.

Select a topic to view the 2024 schedule

Star measure education

Not qualified for continuing medical education (CME) credit

Stars CME sessions

Stars CME sessions

Qualified for one continuing medical education (CME) credit for clinicians.
Register individually and do not forward meeting link.

CMS statin requirements: A Humana pharmacist will discuss Centers for Medicare & Medicaid Services (CMS) requirements for statin prescriptions for diabetes and cardiovascular conditions.

Patient Experience: These sessions will dive into how Patient Experience is measured by CMS through the Consumer Assessment of Healthcare Providers and Systems (CAHPS®) and Health Outcomes Survey (HOS). In addition, the purpose of the Humana Patient Experience survey will be discussed, and resources and practical ways to enhance the overall patient experience will be provided.

Polypharmacy: A Humana pharmacist will explain the meaning of polypharmacy and introduce measures that will address avoiding duplication and pharmacy errors.

February	Patient Experience <ul style="list-style-type: none"> ▪ February 21/3:00 pm EST 	Click here to register all Patient Experience sessions
