

Get 24/7 access to virtual dental care with Teledentix

When it's urgent, you can see a dentist virtually

Humana members have access to **\$0 teledentistry**, also known as virtual dental care with Teledentix, as part of their Humana Dental plan. Teledentistry services allow you to see a dentist within minutes from your computer, smartphone or tablet. If you're in pain or cannot visit a dentist's office, virtual dental care may be an option rather than a visit to the emergency room.

How you can use teledentistry

When you have a teledentistry visit, you will speak with a dental provider through an online video chat or a phone call. You can get access to care from the comfort of your home for a variety of dental needs. **Teledentix dentists can:**

- **Write prescriptions for antibiotics or non-narcotic pain medications when needed**
(Please note, your dental plan does not cover the cost of medications.)
- **Perform a visual exam** for things like mouth, tooth or jaw pain
- **Provide instructions** on caring for mouth, tooth or jaw pain
- **Help members determine** if they need urgent/emergency care or home care **until they can see their dentist**
- **Help members find a dentist** if they don't have one or if requested
