Annual Notice of Changes for 2022

You are currently enrolled as a member of Humana Group Medicare PDP. Next year, there will be some changes to the plan's costs and benefits. This booklet tells about the changes.

What to do now

1. ASK: Which changes apply to you

- Check the changes to our benefits and costs to see if they affect you.
 - It's important to review your coverage now to make sure it will meet your needs next year.
 - Do the changes affect the services you use?
 - Look in Section 1 for information about benefit and cost changes for our plan.
- Check the changes in the booklet to our prescription drug coverage to see if they affect you.
 - Will your drugs be covered?
 - Are your drugs in a different tier, with different cost-sharing?
 - Do any of your drugs have new restrictions, such as needing approval from us before you fill your prescription?
 - Can you keep using the same pharmacies? Are there changes to the cost of using this pharmacy?
 - Look in Section 1.3 for information about changes to our drug coverage.
 - Review the 2022 *Drug Guide*. (See Chapter 4, Section 1.1 of the *Evidence of Coverage* for how to access the *Drug Guide*.)
 - Your drug costs may have risen since last year. Talk to your doctor about lower cost alternatives that may be available for you; this may save you in annual out-of-pocket costs throughout the year. To get additional information on drug prices visit go.medicare.gov/drugprices, and click the "dashboards" link in the middle of the second Note toward the bottom of the page. These dashboards highlight which manufacturers have been increasing their prices and also show other year-to-year drug price information. Keep in mind that your plan benefits will determine exactly how much your own drug costs may change.
- Check to see if your pharmacy will be in our network next year.
 - Look in Section 1.2 for information about our Pharmacy Directory.

OMB Approval 0938-1051 (Expires: December 31, 2022)

- Think about your overall health care costs.
 - How much will you spend out-of-pocket for the services and prescription drugs you use regularly?
 - How much will you spend on your premium and deductibles?
 - How do your total plan costs compare to other Medicare coverage options?
- Think about whether you are happy with our plan.

2. COMPARE: Learn about other plan choices

- Check coverage and costs of plans in your area.
 - Use the personalized search feature on the Medicare Plan Finder at www.medicare.gov website. Click "Find health & drug plans."
 - Review the list in the back of your *Medicare & You 2022* handbook.
 - Look in Section 4 to learn more about your choices.
 - Before you make any changes, please talk to your benefits administrator or Humana's Customer Care Team to go over your healthcare options. The group may not let you change plans outside their open enrollment period, which could leave you without group coverage.
- Once you narrow your choice to a preferred plan, confirm your costs and coverage on the plan's website.

3. CHOOSE: Decide whether you want to change your plan

- If you want to keep the Humana Group Medicare PDP, you don't need to do anything. You will stay in the Humana Group Medicare PDP.
- To change to a different plan that may better meet your needs, contact the benefit administrator at your former employer or union to obtain information on how to switch plans.

4. ENROLL: To change plans, contact the benefit administrator at your former employer or union to obtain information on how to switch plans.

- If you don't join another plan, you will stay in the Humana Group Medicare PDP.
- If you join another plan, your new coverage will begin with the start of the new plan year.

Section 1.1 Changes to the Monthly Premium

You may be receiving a subsidy from your former employer or union to pay for some or all of your plan's premium. Please contact your former employer or union's group benefit plan administrator for information about your plan premium. (See Chapter 1, Section 4.1 of the *Evidence of Coverage* for more information.)

- Your monthly plan premium will be *more* if you are required to pay a lifetime Part D late enrollment penalty for going without other drug coverage that is at least as good as Medicare drug coverage (also referred to as "creditable coverage") for 63 days or more.
- If you have a higher income, you may have to pay an additional amount each month directly to the government for your Medicare prescription drug coverage.
- Your monthly premium will be less if you are receiving "Extra Help" with your prescription drug costs.

Section 1.2 Changes to the Pharmacy Network

Amounts you pay for your prescription drugs may depend on which pharmacy you use. Medicare drug plans have a network of pharmacies. In most cases, your prescriptions are covered only if they are filled at one of our network pharmacies.

There are changes to our network of pharmacies for next year.

An updated Pharmacy Directory is located on our website at www.humana.com/kppa. You may also call Customer Care for updated provider information or to ask us to mail you a Pharmacy Directory. **Please review the 2022 Pharmacy Directory to see which pharmacies are in our network.**

Section 1.3 Changes to Part D Prescription Drug Coverage

Changes to Drug Guide

Our list of covered drugs is called a Formulary or "Drug Guide." You can view the most complete and current *Drug Guide* information by visiting our website at www.humana.com/kppa. (See Chapter 4, Section 1.1 of the *Evidence of Coverage* for how to access the *Drug Guide*.) You can also call Customer Care to find out if a particular drug is in the plan's *Drug Guide* or to ask for a copy of the latest version of the *Drug Guide*. (Phone numbers for Customer Care are located on the back cover of this booklet.)

We made changes to our Drug Guide, including changes to the drugs we cover and changes to the restrictions that apply to our coverage for certain drugs. **Review the Drug Guide to make sure your drugs will be covered next year and to see if there will be any restrictions.**

If you are affected by a change in drug coverage, you can:

- **Work with your doctor (or other prescriber) and ask the plan to make an exception to cover the drug.**
 - To learn what you must do to ask for an exception, see Chapter 7 of your *Evidence of Coverage* (What to do if you have a problem or complaint (coverage decisions, appeals, complaints)) or call Customer Care.
- **Work with your doctor (or other prescriber) to find a different drug** that we cover. You can call Customer Care to ask for a list of covered drugs that treat the same medical condition.

In some situations, we are required to cover a temporary supply of a non-formulary drug in the first 90 days of the plan year or the first 90 days of membership to avoid a gap in therapy. (To learn more about when you can get a temporary supply and how to ask for one, see Chapter 3, Section 5.2 of the *Evidence of Coverage*.) During the time when you are getting a temporary supply of a drug, you should talk with your doctor to decide what to do when your temporary supply runs out. You can either switch to a different drug covered by the plan or ask the plan to make an exception for you and cover your current drug.

Meanwhile, you and your doctor will need to decide what to do before your temporary supply of the drug runs out.

- **Perhaps you can find a different drug** covered by the plan that might work just as well for you. You can call Customer Care to ask for a list of covered drugs that treat the same medical condition. This list can help your doctor to find a covered drug that might work for you.
- **You and your doctor can ask the plan to make an exception for you** and cover the drug. To learn what you must do to ask for an exception, see the *Evidence of Coverage* that is located on our website at www.Humana.com/PlanMaterials. Look for Chapter 7 of the *Evidence of Coverage* (What to do if you have a problem or complaint (coverage decisions, appeals, complaints)).
- **If we approve your request for an exception**, our approval usually is valid until the end of the plan year. A new formulary exception will need to be submitted for the upcoming plan year. To learn what you must do to ask for an exception, see Chapter 7 of your *Evidence of Coverage* (What to do if you have a problem or complaint (coverage decisions, appeals, complaints)).

Most of the changes in the *Drug Guide* are new for the beginning of each year. However, during the year, we might make other changes that are allowed by Medicare rules.

When we make these changes to the *Drug Guide* during the year, you can still work with your doctor (or other prescriber) and ask us to make an exception to cover the drug. We will also continue to update our online *Drug Guide* as scheduled and provide other required information to reflect drug changes. (To learn more about changes we may make to the *Drug Guide*, see Chapter 3, Section 6 of the *Evidence of Coverage*.)

Changes to Prescription Drug Costs

Note: If you are in a program that helps pay for your drugs ("Extra Help"), **the information about costs for Part D prescription drugs may not apply to you.** We sent you a separate insert, called the "*Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs*" (also called the "*Low Income Subsidy Rider*" or the "*LIS Rider*"), which tells you about your drug costs. Because you receive "Extra Help" if you haven't received this insert, please call Customer Care and ask for the "*LIS Rider*." Phone numbers for Customer Care are located on the back cover of this booklet.

There are four "drug payment stages." How much you pay for a Part D drug depends on which drug payment stage you are in. (You can look in Chapter 4, Section 2 of your *Evidence of Coverage* for more information about the stages.)

The information below shows the changes for next year to the first two stages – the Yearly Deductible Stage and the Initial Coverage Stage. (Most members do not reach the other two stages – the Coverage Gap Stage or the Catastrophic Coverage Stage. To get information about your costs in these stages, look at Chapter 4, Sections 6 and 7, in the *Evidence of Coverage*.) You can also review the attached *Evidence of Coverage* to see if other benefit or cost changes affect you.

Changes to the Deductible Stage

Stage	2021 (this year)	2022 (next year)
Stage 1: Yearly Deductible Stage During this stage, you pay the full cost of your Part D drugs until you have reached the yearly deductible.	The deductible is \$435.00	The deductible is \$435.00

Changes to Your Cost-sharing in the Initial Coverage Stage

To learn how copayments and coinsurance work, look at Chapter 4, Section 1.2, *Types of out-of-pocket costs you may pay for covered drugs* in your *Evidence of Coverage*.

Stage	2021 (this year)	2022 (next year)
Stage 2: Initial Coverage Stage Once you pay the yearly deductible, you move to the Initial Coverage Stage. During this stage, the plan pays its share of the cost of your drugs and you pay your share of the cost. The costs in this row are for a one-month 30-day supply when you fill your prescription at a network pharmacy. For information about the costs for a long-term supply or for mail order prescriptions, look in Chapter 4, Section 5 of your <i>Evidence of Coverage</i> .	Your cost for a 30 day supply filled at a network pharmacy with standard cost-sharing 25% coinsurance for Tier 1 drug 30 day supply 25% coinsurance for Tier 2 drug 30 day supply 25% coinsurance for Tier 3 drug 30 day supply 25% coinsurance for Tier 4 drug 30 day supply <hr/> Once you have paid \$6,550.00 out-of-pocket for Part D drugs, you will move to the next stage (Catastrophic Stage).	Your cost for a 30 day supply filled at a network pharmacy with standard cost-sharing 25% coinsurance for Tier 1 drug 30 day supply 25% coinsurance for Tier 2 drug 30 day supply 25% coinsurance for Tier 3 drug 30 day supply 25% coinsurance for Tier 4 drug 30 day supply <hr/> Once you have paid \$7,050.00 out-of-pocket for Part D drugs, you will move to the next stage (Catastrophic Stage).

Changes to the Coverage Gap and Catastrophic Coverage Stages

The other two drug coverage stages – the Coverage Gap Stage and the Catastrophic Coverage Stage – are for people with high drug costs. **Most members do not reach the Coverage Gap Stage or the Catastrophic Coverage Stage.** For information about your costs in these stages, look at Chapter 4, Sections 6 and 7, in your *Evidence of Coverage*.

SECTION 2 Deciding Which Plan to Choose

Section 2.1 If you want to stay in Humana Group Medicare PDP

To stay in our plan, you don't need to do anything. If you do not sign up for a different plan or change to Original Medicare, you will automatically stay enrolled as a member of our plan for 2022.

Section 2.2 If you want to change plans

We hope to keep you as a member next year but if you want to change for 2022 follow these steps:

Step 1: Learn about and compare your choices

- You can join a different Medicare prescription drug plan timely,
- --OR-- You can change to a Medicare health plan. Some Medicare health plans also include Part D prescription drug coverage,
- --OR-- You can keep your current Medicare health coverage and drop your Medicare prescription drug coverage. If you do not enroll in a Medicare drug plan, there may be a potential Part D late enrollment penalty.

To learn more about Original Medicare and the different types of Medicare plans, read *Medicare & You 2022* handbook, call your State Health Insurance Assistance Program (SHIP) (see "Exhibit A" in the *Evidence of Coverage*), or call Medicare. (See Section 6.2).

You can also find information about plans in your area by using the Medicare Plan Finder on the Medicare website. Go to www.medicare.gov and click "Find health & drug plans." **Here, you can find information about costs, coverage, and quality ratings for Medicare plans.**

Additionally, you may contact your former employer or union to obtain more information on electing other coverage.

Step 2: Change your coverage

- To change **to a different Medicare prescription drug plan**, enroll in the new plan. You will automatically be disenrolled from Humana Group Medicare PDP.
- To **change to a Medicare health plan** enroll in the new plan. Depending on which type of plan you choose, you may automatically be disenrolled from Humana Group Medicare PDP.

- You will automatically be disenrolled from Humana Group Medicare PDP if you enroll in any Medicare health plan that includes Part D prescription drug coverage. You will also automatically be disenrolled if you join a Medicare HMO or Medicare PPO, even if that plan does not include prescription drug coverage.
- If you choose a Private Fee-For-Service plan without Part D drug coverage, a Medicare Medical Savings Account plan, or a Medicare Cost Plan, you can enroll in that new plan and keep Humana Group Medicare PDP for your drug coverage. Enrolling in one of these plan types will not automatically disenroll you from Humana Group Medicare PDP. If you are enrolling in this plan type and want to leave our plan, you must ask to be disenrolled from Humana Group Medicare PDP. To ask to be disenrolled, you must send us a written request or contact Medicare at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week (TTY users should call 1-877-486-2048).
- To change to Original Medicare without a prescription drug plan, you must either:
 - Send us a written request to disenroll. Contact Customer Care if you need more information on how to do this. (Phone numbers are located on the back cover of this booklet.)
 - --OR-- Contact Medicare, at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, and ask to be disenrolled. TTY users should call 1-877-486-2048.

SECTION 3 Deadline for Changing Plans

Are there other times of the year to make a change?

- In certain situations, changes are also allowed at other times of the year. For example, people with Medicaid, those who get "Extra Help" paying for their drugs, those who have or are leaving employer coverage, and those who move out of the service area may be allowed to make a change at other times of the year. For more information, see Chapter 8, Section 2.2 of the *Evidence of Coverage*.

SECTION 4 Programs That Offer Free Counseling about Medicare

The State Health Insurance Assistance Program (SHIP) is a government program with trained counselors in every state.

A State Health Insurance Assistance Program (SHIP) is independent (not connected with any insurance company or health plan). It is a state program that gets money from the Federal government to give free local health insurance counseling to people with Medicare. State Health Insurance Assistance Program (SHIP) counselors can help you with your Medicare questions or problems. They can help you understand your Medicare plan choices and answer questions about switching plans. Contact information for your State Health Insurance Assistance Program (SHIP) can be found in "Exhibit A" in the *Evidence of Coverage*.

SECTION 5 Programs That Help Pay for Prescription Drugs

You may qualify for help paying for prescription drugs. Below we list different kinds of help:

- **"Extra Help" from Medicare.** People with limited incomes may qualify for "Extra Help" to pay for their prescription drug costs. If you qualify, Medicare could pay up to 75% or more of your drug costs including monthly prescription drug premiums, annual deductibles, copayments, and coinsurance. Additionally, those who qualify will not have a coverage gap or late enrollment penalty. Many people are eligible and don't even know it. To see if you qualify, call:
 - 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048, 24 hours a day/7 days a week;
 - The Social Security Office at 1-800-772-1213 between 7 a.m. and 7 p.m. Monday through Friday. TTY users should call 1-800-325-0778 (applications); or
 - Your State Medicaid Office (applications).
- **Help from your state's pharmaceutical assistance program.** Many states have State Pharmaceutical Assistance Programs (SPAPs) that help people pay for prescription drugs based on their financial need, age, or medical condition. To learn more about the program, check with your State Health Insurance Assistance Program (the name and phone numbers for this organization are in "Exhibit A" in the *Evidence of Coverage*).
- **Prescription Cost-sharing Assistance for Persons with HIV/AIDS.** The AIDS Drug Assistance Program (ADAP) helps ensure that ADAP-eligible individuals living with HIV/AIDS have access to life-saving HIV medications. Individuals must meet certain criteria, including proof of State residence and HIV status, low income as defined by the State, and uninsured/under-insured status. Medicare Part D prescription drugs that are also covered by ADAP qualify for prescription cost-sharing assistance through the ADAP in your state. For information on eligibility criteria, covered drugs, or how to enroll in the program, please see "Exhibit A" in the *Evidence of Coverage*.
