

Help prevent eye injuries with IndustrialEyes

Humana understands that good vision health plays an important role in overall health and well-being

The IndustrialEyes Prescription Safety Eyewear Program can help protect your employees' vision health by serving as your single source of quality safety eyewear. IndustrialEyes offers a full line of safety frames and lenses made to order with your prescription. Employees can have their safety glasses made at LensCrafters®, Target Optical® and participating Pearle Vision® locations.

IndustrialEyes Prescription Safety Eyewear Program allows for selections that are compliant with Occupational Safety and Health Administration (OSHA) regulations and meets the current ANSI standards. And IndustrialEyes makes it easy and convenient to order.
