**INSTRUCTIONS**

1. Use only to request reimbursement, for Commercial members, for self-administered, at-home OTC COVID-19 diagnostic test(s) authorized by the U.S. Food and Drug Administration (FDA). (For all other reimbursement requests, use standard reimbursement request form.)

2. Do not use for any test if a licensed healthcare provider provided a formal order for that purchased test. (If the test was ordered, use standard reimbursement request form.)

3. If tests were purchased for multiple individuals, use a separate form for the tests purchased for each individual.

4. Provide all information requested below. Failure to provide all requested information or to sign the attestation below could result in denial of reimbursement.

5. For each paid charge that you include below, include any taxes paid for the test(s) and any standard shipping paid for the test(s).

6. Mail completed form to the address on the back of your insurance card.

7. Include, with the completed form that you mail, a copy of the purchase receipt (required) for the test(s) and a copy of the UPC (also required) from the test package(s).
