

# Accessing AHIP and Transferring AHIP Scores

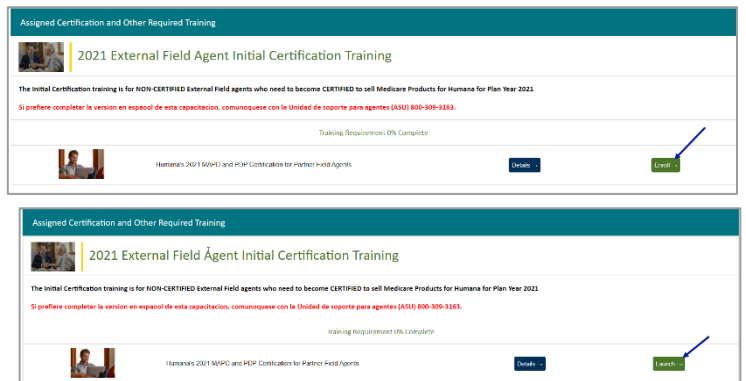

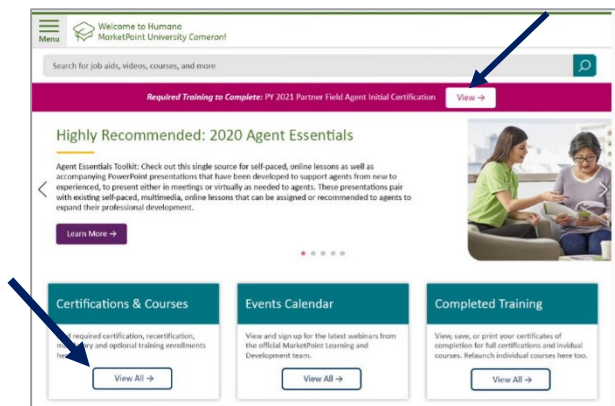

**PURPOSE:** This job aid will assist agents with accessing AHIP from Humana MarketPoint University (HMU) and transferring their AHIP scores to the Humana Certification or Recertification course enrollment.

## How to Access AHIP and Transfer Your AHIP Score to Humana

To transfer an AHIP score you **must** be enrolled in a Humana Certification or Recertification course located on Humana MarketPoint University. You can access Humana MarketPoint University from the **Humana Vantage Agent Portal**. The option to transfer the score will not appear until you reach the AHIP Training section.

Once logged in on Humana MarketPoint University, you will access your assigned Certification or Recertification training through the top homepage alert. You can also navigate to this by selecting View All under the Certifications & Courses section. Once on the Assigned Training section, you will Enroll In or Launch the course to begin or continue.

# Accessing AHIP and Transferring AHIP Scores

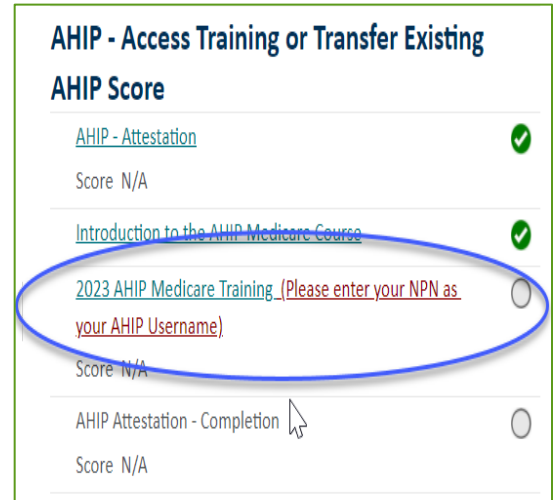

Make your way through the list of modules until you can click on the “**AHIP Medicare Training**” link.

When you click “**AHIP**,” a new window displays.

**NOTE:** Before clicking the AHIP link, make sure you are logged out of AHIP and that pop-up blockers are turned off).

If you are a first-time AHIP user, you will need to enter your **National Producer Number (NPN)** during the registration process.

**NOTE:** You only need to register once. If you leave and come back, just enter your NPN and password.

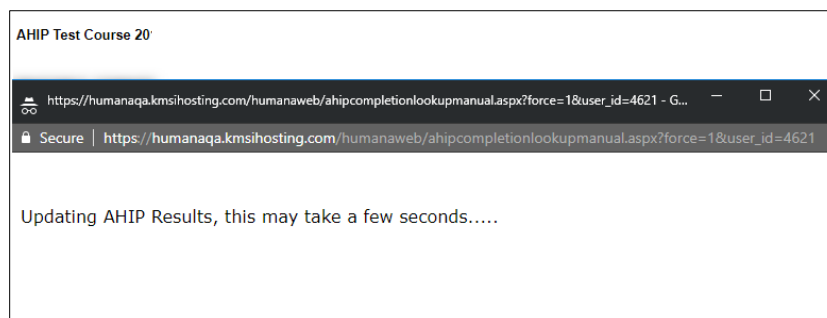

## Important Reminder:

When logging in to AHIP from the Humana course outline **you must use your NPN as the Username**. The system will prompt you to enter either your email, or NPN. Humana’s connection to AHIP is tied to an agent’s **NPN**. Entering the NPN ensures the agent’s AHIP score is transferred over to Humana without issue.

A screenshot of a "User Login" form. It has a title "User Login" in purple. Below the title are two input fields: "Username (NPN or Email)" with a red placeholder text "Enter NPN here." and "Password". Below the password field is a "Login" button. At the bottom of the form are two links: "Forgot your username?" and "Forgot your password?".

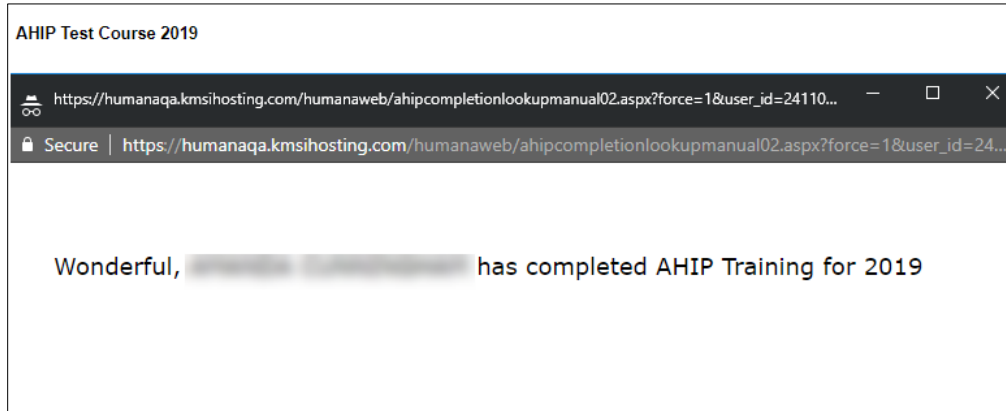

## Looking for AHIP Scores

Once signed into AHIP, the system will look to see if the current plan year course has been completed successfully within six attempts (even if completed outside of Humana).

# Accessing AHIP and Transferring AHIP Scores

If AHIP is already successfully complete, the test score will *automatically send* to Humana and the following message will be received.

Click the “**Return**” button at the bottom of the page to return to the course outline.

When you return to the course, the AHIP score and status will be updated. You can then continue with the training. (You may need to refresh the screen.)

# Accessing AHIP and Transferring AHIP Scores

## Troubleshooting: If AHIP is already completed, but score is not transferring

If you have successfully completed AHIP for the current plan year by passing the exam within six test attempts but the score is not transferring, you will **NOT** be required to retake the AHIP Training. The MarketPoint Training Team will be able to manually transfer over your score once we receive proof of your completion.

To provide Proof of Completion if the score is not transferring, you will simply need to login on the AHIP site, navigate to your Transcripts page (as shown in the image below) and capture an image of this page to send to [MarketPointTraining@humana.com](mailto:MarketPointTraining@humana.com). The image **MUST** show your Name and your Final Exam score on the same page.

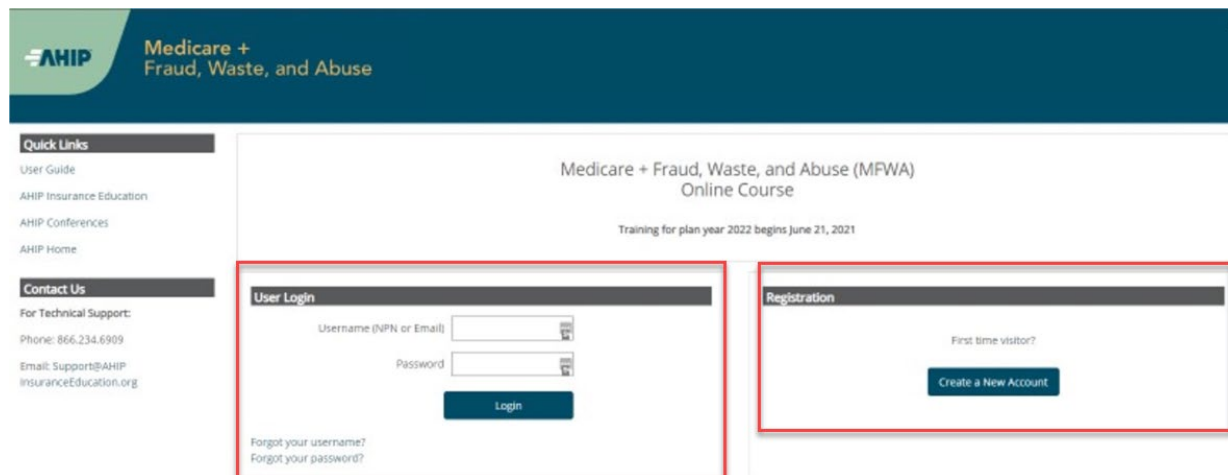

Please allow one business day for the MarketPoint Training Team to transfer the score.

**If your score did not transfer, simply click the AHIP link again for HMU to check for your score and pull it over.**

## WINNING TIPS:

- AHIP's passing score is **90%** within 6 attempts. If AHIP was completed beyond the first 6 attempts, the score will not transfer. Agents will be notified of Humana's policy and will be shown their first three test attempt scores.
- The initial test registration will allow 3 test attempts. If an additional 3 attempts are needed, a second registration purchase is required at the agent's expense. With the additional 3 attempts, you will be required to start the course over.
- If you have been logged into the Humana MarketPoint University for a long time, it may time out. Click the AHIP link again from the course outline and HMU will pull your AHIP score into the course. If you are not able to transfer your score after following these steps, or need any other assistance, please contact **Humana Agent Support at 1-800-309-3163**.
